

# RELEASE OF GCE 'O' LEVEL RESULTS 14 JAN 2019

## JOINT ADMISSIONS EXERCISE (JAE)

# JOINT ADMISSIONS EXERCISE (JAE)

The JAE is conducted annually by the Ministry of Education (MOE) to allow holders of GCE O-Level certificate to apply for admission to courses offered by the Junior Colleges (JCs), Millennia Institute (MI), Polytechnics and Institute of Technical Education (ITE).

**Four merged Junior Colleges** will start operations from 2019. They are Anderson Serangoon JC, Jurong Pioneer JC, Tampines Meridian JC and Yishun Innova JC.

**New Schools** taking part in JAE Dunman High School (DHS) and River Valley High School (RVHS) will accept their first batch of 'O' Level students through this year's JAE, for admission in 2019 onwards. For more information on DHS and RVHS

# JOINT ADMISSIONS EXERCISE (JAE)

All students successfully admitted to a school through the Direct School Admission-JC (**DSAJC**) Exercise / Polytechnic Early Admissions Exercise (**Poly EAE**) / ITE Early Admissions Exercise (**ITE EAE**) will not be able to participate in JAE.

Students will be informed of the school they have been admitted to under the DSA-JC/Poly EAE/ITE EAE together with the release of the GCE 'O' Level Examination results.

Unsuccessful DSA-JC/Poly EAE/ITE EAE students will be able to participate in JAE and they will receive JAE Form A containing courses that they are eligible to apply for.

# JOINT ADMISSIONS EXERCISE (JAE)

Form A contains the JAE PIN, GCE 'O' Level Examination results, Aggregate scores and the Eligible Courses of each student.

# JOINT ADMISSIONS EXERCISE (JAE)

All applications for courses must be submitted online through the JAE-Internet System (**JAE-IS**).

You are required to key in your NRIC / FIN and the **JAE PIN** to gain access to the JAE-Internet System (**JAE-IS**).

The **JAE-IS** is accessible through the JAE website at <http://www.moe.gov.sg/admissions/jae>

# JOINT ADMISSIONS EXERCISE (JAE)

You are to complete the course application worksheet found in your **Form A** before accessing the **JAE-IS** to submit your application.

You are advised to make full use of the **12 choices**, where applicable.

# JOINT ADMISSIONS EXERCISE (JAE)

In the event that you are not posted, please take part in the combined poly/ITE JAE appeals and consider a range of courses and institutions, including Higher Nitec courses at ITE.

Do consider accepting your “alternative posting” should you receive one at the end of JAE appeals.

# JOINT ADMISSIONS EXERCISE (JAE)

Accepting the “alternative posting” helps students to secure a place in a post-secondary education institution (PSEI); you will still be able to appeal to other courses and institutions if they wish to while pursuing their education in the alternative posting.

# JOINT ADMISSION EXERCISE (JAE)

You are advised to print and retain a copy of the Verification Slip for your record after you have submitted your application online.

# JOINT ADMISSION EXERCISE (JAE)

The JAE 2019 registration will be held over a period of **5** calendar days, starting from **3.00 pm on 14 January 2019** to **4.00 pm on 18 January 2019**.

# JOINT ADMISSION EXERCISE (JAE)

Students can access the computer system and printer in the Aroozoo Library to complete their JAE.

PCs with internet access and printing facility will be made available for your use at Aroozoo to register for 2019 JAE between

**3 pm to 4 pm** on 14 January 2019 and

**9 am to 4 pm** daily on the remaining registration days.

# JOINT ADMISSION EXERCISE (JAE)

The posting results of the JAE application will be released on **Thursday, 31 January 2019** through the following modes:

JAE-IS, accessible through the JAE website at [www.moe.gov.sg/admissions/jae](http://www.moe.gov.sg/admissions/jae).

SMS to your mobile number (if provided during the JAE registration).

# JOINT ADMISSION EXERCISE (JAE)

For students who missed the 5 day period for course registration can approach MOE-CSC for assistance the day after the registration closes, from **9am to 12pm**.

This half day registration is strictly for new submissions of course choices and not for amendments to submitted choices.

# JC transfers after JAE

JC transfers after JAE should be guided by L1R5 net aggregate scores and the receiving JC's course Cut-off Point (COP). This ensures that JAE remains fair, transparent and objective.

Students may appeal to MOE for a transfer on the basis of extenuating circumstances such as medical or special needs. Such circumstances will be reviewed on a case-by-case basis.

# JC transfers after JAE

Students who wish to appeal for a JC transfer on other grounds may submit their appeals to JCs directly, though they would likely be unsuccessful if they have not met JC's course COP in the JAS and do not present extenuating circumstances to merit a transfer.

The decision to transfer JCs should be made in consultation with the current JC. The current JC would be best placed to advise on student's learning needs, and we encourage parents to work with the JC to support the student.

# APPEAL FOR REVIEW OF RESULTS

The fee for an appeal to review the result of any subject is \$112.35 per subject (inclusive of 7% GST)

Students who do not have strong grounds should be discouraged from submitting an appeal

Deadline : **Thursday, 18 January 2019**
