Information For Teachers

1. Schools will distribute the following materials to students (to be collected with the results slips) on the day of release of N-Level results:

    <u>For All School Leavers Who Qualify For ITE</u>

    a) 1 copy of Form N
    b) 1 copy of ITE's Admission Booklet with scholarship brochure inserted
    c) 1 copy of ITE's Traineeship brochure

    <u>Additional Materials for N(T) School Leavers with 0 or 1 Subject Pass</u>

2. Since 2022, ITE has started transitioning their 2-year Nitec courses to 3-year Higher Nitec courses. For the Jan 2024 intake, ITE would be offering 25 full-time 3-year Higher Nitec courses and 24 full-time 2-year Nitec courses.

3. N(T) students with 0 or 1 subject pass can additionally opt for the 3-Year Nitec/4-Year Higher Nitec Course with Enhanced Foundation Programme in ITE. We request for schools to remind students to go through **both** the JIE 'E' application process for the 3-Year Nitec/4-Year Higher Nitec course and the JIE 'N' application process for the 2-Year Nitec/3-Year Higher Nitec course (see slide 12).

Information For Teachers – Other Considerations

3. To facilitate subsequent follow up by school and MOE HQ, **schools are requested to verify and update the contact numbers** of graduating cohort who are present <u>on the Day of Release of N-Level Results</u> and reflect the updates in the School Cockpit by **31 Dec 2023.**

4. Although clear instructions have been provided for the JIE enrolment process, our N(A) and N(T) students may still require guidance to navigate the application system. We **strongly encourage** schools to direct students to allocated computer labs, and have teachers on standby to guide them through the main application process.

   - During the appeal/top-up phases, schools should assess if there is a need to open up the computer labs for students who may require additional support in accepting the counter-offer and/or submitting an appeal.

Information For Teachers – Follow up with students

5. Annually, MOE HQ will send schools a list of students who did not participate in JIE for school's follow up. This year, schools will receive two lists on the following date:

Dates/Day		Documents	Follow-up action by schools
29 Dec 2023	**Day <u>of</u> release of JIE Posting Results**	(i) List of students (SC/PR only) who <u>did not participate</u> in JIE.	• Contact these students and make the best attempt to encourage them to complete the ITE application online in the Appeal and Top-Up Phases.
		(ii) List of students (SC/PR only) who were not given any of their choices and were instead <u>counter-offered</u> courses.	• Identify and contact the students who may benefit from teachers' support and advice during their deliberation process. • Advise students to accept the counter-offer **before** submitting an appeal to ITE for the course they were not posted to.

Key Pointers for Students on ITE's Joint Intake Exercise (JIE) for Admission to Nitec Courses

ALL N(T) students and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE.

Keen competition for Nitec and Higher Nitec courses, so use all 12 choices wisely!

Participation in Main Phase is key to secure a place in ITE!

If you are keen in the work & learn option, you may consider applying for the ITE Traineeship programme. Do apply in the Main Phase to avoid missing a place in ITE!

If you are unsuccessful in EAE, make sure you apply in Main Phase to avoid missing a place!

If you have received an additional letter, then you are eligible for the Enhanced Foundation Programme.

If you are eligible for EFP, make sure you apply for the 2-year Nitec and 3-year Higher Nitec first before applying for EFP!

The EFP helps to build the necessary literacy and numeracy foundations that will enable you to successfully complete your Nitec course!

If you are counter-offered a course, accept it first before appealing for another course you may be more interested in!
