

COVID-19 PRECAUTIONARY MEASURES AND INSTRUCTIONS TO SCHOOL CANDIDATES FOR 2020 SINGAPORE-CAMBRIDGE GCE EXAMINATION

(For GCE Oral Examinations to be conducted from July to September 2020)

1. Please read the **Examination Rules and Regulations for School Candidates / Instructions for School Candidates** which are found on the SEAB website www.seab.gov.sg before your first paper.
2. As your safety and well-being are our priority, safe management measures are put in place. If you are on Home Quarantine Order, Stay-Home Notice, Leave of Absence or medical leave, do not report for examination. Please inform your teacher and stay at home. **For those on Approved Absence, you will be allowed to sit for examination in separate rooms on the last day of the oral examination. Please inform your teacher that you are on Approved Absence.**

On The Day Of Your Oral Examinations

3. Check your temperature and health. If you are not well, e.g. having a fever (38°C and above), exhibiting flu-like symptoms, do not report for examination. **Please note that candidates who are unwell or with fever or flu-like symptoms, regardless if the symptoms were due to COVID-19 virus, would not be permitted to enter the exam venues.** Inform your teacher that you are unwell and see a doctor. Your teacher will follow up with SEAB.
4. Arrive at your examination centre at least 45 minutes before the start of your paper.
5. Follow the procedures that are implemented by the examination centre, such as temperature taking, declaration of personal information, travel history/health condition before you enter the examination venue. It is mandatory that you follow the procedures as only those who have completed the procedures are allowed to enter.
6. You must always wear your face mask at all times. Refusal to put on face mask is an offence in Singapore under the COVID-19 (Temporary Measures) Act. **You are only allowed to remove your face mask when you are at the Oral Examination Station and during the reading aloud/oral presentation and oral interaction segments of your Oral Examination with the Oral Examiners.** You will be informed by the Oral Examiner to remove your face mask. Please put on your face mask once the Oral Examiner has informed you that your Oral Examination has been completed and before you leave the Station. During attendance taking, you may also be asked to remove your mask for a short while to verify your identity.

7. As added precautions, a desk shield will be placed between you and the Oral Examiners and you will sit 1.5m away from the Oral Examiners. Oral Examiners will wear face shields and/or face masks during the Oral Examination. You are to raise your hand and inform the Oral Examiners, if you are not able to hear the Oral Examiners clearly.
8. You are not required to key your User ID and password in the e-Oral System. The Examination Personnel will help you to do this. In addition, no headphones would be provided for this year's Oral Examination. The audio for the video stimulus will be played directly from the laptop. Please alert the Examination Personnel if you encounter any audio issues. These measures are put in place to minimise the contamination from these common touch point surfaces.
9. At the end of oral examination, the Oral Examiners will instruct you to:
 - wear your face mask;
 - wipe down the high-touch surfaces such as mouse, candidate's table and desk shield;
 - sanitise your hands before leaving the Oral Examination station.

Waste bins will be placed nearby for you to discard the papers towels after the wipe down.

10. Always maintain at least 1m from other candidates or persons as part of safe-distancing measure.
11. Do not talk to one other, gather in groups or crowd around any designated area or toilet. You will be dismissed from the examination/quarantine venue in smaller groups and at staggered intervals.
12. If you are unwell during the examination, please inform an examination personnel immediately. You will be accompanied by an examination personnel to a separate room. Your Principal or Vice-Principal will assess your condition and will decide on appropriate measures such as making arrangements for you to see a doctor or to send you home. They will follow up with SEAB.
11. In the event of a major disruption such as a major train service disruption or heavy rain, you should still make your way to your designated examination centre. You will be allowed to sit for the Oral Examination if you reach the examination centre within 30 mins after the start of the oral examination. If you are unable to reach your examination centre within 30 mins after the start of the Oral Examination, you will need to contact your school. Your school will either reschedule you to another day or contact SEAB.
