## **2023 GCE N-LEVEL RESULTS RELEASE: Supporting Your Teen**

Dear Parents/Guardians,

The 2023 GCE N-Level results will be released today. Regardless of the outcome, it is important for our teens to know that they are loved for the person that they have grown up to be, and that their grades do not define who they are in our eyes. The social and emotional support you provide will be especially necessary and valuable in helping our teens manage their emotions and be positive when deciding on their next steps.

Do take this opportunity to have open conversations with your teen about his/her interests and choices and build his/her pathways together.

### **Resources for Parents**

For more resources on providing social and emotional support, affirming your teen, and supporting your teen's transition through post N-Level education, please refer to: <https://go.gov.sg/selresforparents>. You can access Educational and Career Guidance (ECG) resources via the *What's Next* pamphlet (<https://go.gov.sg/whats-next-nlevel>) and the *MySkillsFuture* Student Portal (<https://go.gov.sg/MySFSec>).

### **ECG Counselling Services**

For ECG counselling services, students may contact the ECG Counsellor in their schools or make an ECG counselling appointment with the ECG Centre @ MOE (Grange Road) between 18 to 22 December 2023 via

- Email: [moe\\_ecg@moe.gov.sg](mailto:moe_ecg@moe.gov.sg)
- Appointment booking form: <https://go.gov.sg/moe-ecg-centre>

### **Collection of GCE N-Level Results**

We encourage all students to return to their Secondary schools to collect their results. However, for those who are unable to return to school, they may view their results online. The guide on accessing the *Candidates Portal* (<https://myexams.seab.gov.sg>) can be found at: <https://go.gov.sg/2j0grx>. Please refer to the attached information sheet for more tips and resources on supporting your teen.

Thank you.
